Why fundraise for the Breath of Life Walk?

Whether you are a walker or a donor, your fundraising will allow us to:

- Offer education and support to local residents who are suffering from emphysema, COPD, and lung cancer
- Advocate for strong tobacco control policies
- Keep youth from becoming addicted to vaping/tobacco
- Assist adult smokers who want to quit
- Provide sleep apnea patients with low cost breathing equipment and supplies
- Teach kids with asthma how to manage their condition, train their care givers, and promote asthma-friendly environments
- Improve local air quality to ensure that all Bay Area residents can breathe easier
